During his retirement he enjoyed working with the South East Grey Community Support Services in Flesherton. Doug will also be fondly remembered by the members of the Stuart Hunt Camp where he was an honorary member for over 50 years. Doug will be remembered always and cherished by those who were surrounded by his outgoing spirit, welcoming demeanor, laughter and smiles. REVESZ-LENDERS, SHERRY

July 14, 1961 - September 24, 2018

It is with great sadness that we say goodbye to Sherry after a long battle with cancer. Sherry passed peacefully, without pain, surrounded by the love of her family.

Her children Madison, Aaron, Jason and Melissa along with her loving husband Florian and her friend and sister Robin were at her side in the home she loved. Her Mother and Father Rose and Peter will join her in spirit once again.

Sherry struggled over the past 13 years with breast cancer but never let it dampen her spirits or slow down her zest for life. She was a role model for many and an example of kindness, compassion and strength. She was a fiercely independent force of nature that touched everyone she met in a positive way.

We are the ones left behind but we will not forget that smile, that laugh and the enthusiasm for life that made our lives so special. We will never forget your influence, your stories and your love. Rest in peace sister, friend, mother, grandmother and wife. You left this world way too young at 57, but you will live in our heart forever.

A private Celebration of Life will be held at a future date.

Ferguson Funeral Home (The Valley Chapel) Ltd.

Frank was a very humble person. He always shunned any sort of lime light or celebration of his achievements or service. In keeping with his character, Frank did not want any formal funeral services of any kind. Instead there will be a simple family celebration of his life at a later date. He will be interred at the Thornbury Clarksburg Union Cemetery.

The family will be eternally grateful to the staff at the Meaford General Hospital, and the Meaford Long Term Care Home. Between these two, Frank spent the final three weeks of his life under their professional and loving care.

If so desired, and as your expression of sympathy, donations to the Canadian Cancer Society, or a charity of your choice would be appreciated and may be made through the **Ferguson Funeral Home**, The Valley Chapel, Box 556, Thornbury, ON N0H 2P0 to whom arrangements have been entrusted.

The greatest love of his life was his wife Helen. In one of their final moments together they kissed and Frank told her he loved her, thanked her for being with him, and told her that she was the best thing that ever happened to him. His father reportedly used to say "if you do something, do it well". You did it well Frank, rest in peace now. www.fergusonfuneralhomes.ca

MARGARET ANNE MAVROU (née YIRKA)

Born in Kitchener, Ontario January 12, 1940, Margaret Anne Mavrou, beloved wife, mother and grandmother, passed away peacefully on July 20, 2018 at Meaford General Hospital after a brave battle with cancer.

Maggie was a true warrior. Predeceased by her parents Alf and Mabel Yirka, she departs this world having made it a better place. Beloved wife of George Mavrou, treasured sister to Barbara (John) and brother John. Maggie was loved by her daughters Sarah and Jen, their husbands Michael and Matt and grandchildren Cash, Ruby, Olive, Max and Jack.

A straight talking lover of life, Margaret embraced her job as a consultant and teacher, dedicating 35 years working for the T.C.D.S.B. She was committed to volunteering at the B.V.O. and considered the following amongst her greatest loves in life: her husband and daughters, her Cougar Convertible and the slot machines. With a voice you'd recognize anywhere, Maggie loved a good party, and often her booming laugh and friendly presence filled the room. Margaret always welcomed a game of cards or scrabble and was in fact a bit of a card shark, regularly playing bridge with valued friends.

Maggie was a creative soul, dabbling in many artistic interests- a lover of music, Margaret played the piano and the guitar in her earlier years and matured as a talented painter and phenomenal chef. In her spare time Maggie liked to knit, and was an avid reader with a great appetite for life!

After Maggie's passing, we found this beautiful quote in her belongings;

*Please don't cry because I died!
Smile because I lived!
Know that I'm in a happy place!
Know that we will meet again!
I'll see you there!*

Perfectly put Maggie. You will be forever remembered and live always in our hearts!

SOAR FREE!

A Celebration of 'Maggie's Life' will be shared at the **Toronto Botanical Garden, Garden Hall**, 771 Lawrence Ave. E., Toronto M3C 1P2 on Sunday September 23rd from 1 to 4 p.m. www.fergusonfuneralhomes.ca

COONS, SHIRLEY A.

March 15, 1927 - April 25, 2018

Born in Winchester springs, Ontario, a daughter of the late John and Mary (nee Hess) Coons, Shirley was the younger daughter in a family of 9 siblings. She passed away peacefully at Georgian Heights in Owen Sound in her 92nd year.

She was predeceased also by brothers, Herman, Dalton, Fred, Clayton, and Burton and by sisters Mildred Clarke, Evelyn Coleman, and Doris Edgerton. She will be remembered as an Aunt and Great Aunt to many nieces and nephews in the Ottawa Valley and Leeds/Grenville area. She was a loving Mother to her only child, Frankey Sisty, of Clarksburg, ON and was predeceased by her son-in-law, David Hay. She will be recalled as a Grandmother and Great Grandmother to Chad MacDonald-Hay (Crystal) and Faith Melody Lynn.

Shirley spent most of her years in the community of Brockville. She was a factory labourer with Caldwell Linen Mills, General Motors Oshawa, RCA, Black and Decker and retired from Brockville Telecom/Microtel at the age of 63. Shirley was an excellent, albeit vocal, employee who had a natural flair for leadership. She was liked by colleagues and management alike.

As the younger sister, she was a bit of a brat and enjoyed tattling on her siblings, and was known for not keeping secrets. As she aged, she was a very good sister and built a very solid relationship with her last remaining siblings, sisters Doris and Evelyn, until their passing in 2013.

Shirley was definitely the “favourite” Aunt of the Coons crowd. Always in attendance at family functions and known for keeping everyone laughing. She was a surrogate parent to many of her nieces and nephews and had some that spent summers working in Brockville or camping in the Long Sault area.

Of the many roles that Shirley had, being a mother was the one of which she was most proud. She raised her daughter, Frankey as a single-parent in the days when this was not common. Frankey’s father, Frank Sisty, of Florida/Cardinal, Ontario, predeceased her mother and was buried exactly 3 years to the date of Shirley’s passing. Karma?

Obituaries

Ferguson Funeral Home (The Valley Chapel) Ltd.

As a single mother, Frankey never wanted for anything that the other children had. When some older girls were caught bullying Frankey, mother Shirley saw them from a distance and went into action to ensure they would never come near her baby again. Shirley took on roles of test chairman with the Brockville Figure Skating Club and hand made beautiful skating costumes in which her daughter would perform.

Shirley spent 5 years living with Frankey in her new community of Clarksburg where she was able to be close to Sierra, Terra, and Fergie; pets played a very big role in Shirley's heart.

Shirley had many great friends and neighbours in Brockville and spent her later years travelling to Acapulco, Florida and other hot spots with her chums. As a neighbour, one of the classiest acts I had the pleasure to witness was when Shirley "pseudo-adopted" a local neighbour lad, whose family had limited means, and she became a hockey mom for the season. She paid for the team membership, equipment, drove the lad to and from practice, ensuring he had money in his pocket for a drink and snack after practice. When the lad invited her to the annual father son banquet, Shirley told the lad to take his mom, but was told that his mom didn't have any nice clothes to go to such an event. Mom gave his mother a dress and ensured she would be there to celebrate her lad's hockey success. Shirley was one of the most unselfish people you would ever meet.

If you asked Shirley if she had any regrets over the 91 years, she would likely say the only thing she would have liked to have done was to have received a high school diploma. Shirley was educated in a one-room schoolhouse in Winchester Springs and, due to financial constraints with families of the day, was only able to complete Grade 8. No one had a sharper mind, and better knowledge of how to save money and make a dollar stretch beyond its capacity, than Shirley. If opportunity had provided, she would have likely excelled in high school and even went on to achieve a post-secondary education. As the first generation in my immediate family, in her honour, I not only attended college, but I am a college professor, at Georgian College, Owen Sound.

Shirley's last years of health were not ideal. Upon suffering a stroke in mid 2015, her ability to live a full-life was diminished. She wasn't able to walk, she was blind and deaf and she had dementia. She was placed into the Georgian Heights Care Facility in Owen Sound where she lived out her days and had wonderful caring nurses, doctors, PSW's and staff by her side when she breathed her last breath.

A celebration of Shirley's life will take place Sunday, June 17 at the Brockville Royal Canadian Legion, downstairs lounge, from 12:00 p.m. until 4:00 p.m. Food and drinks will

be served. Please bring pictures and stories to celebrate our girl, and dress in the 4C's: casual, comfortable, cool, and colourful.

As you can see, Shirley had a wonderful life and no doubt you have heard bells, and dings, and gongs, because as they say in the movie, "every time a bell rings an angel gets its wings." Fly home mom, I'll see you in my dreams".

Bunny was always happiest when she was with her family and especially if there was music involved. She was Dave and Mike's biggest fan when they played at their annual après at Craigeleith Ski Club in Collingwood and was always front and centre wherever they were playing.

Bunny was especially proud of all of her grandchildren and their accomplishments.
